Email   **:** amin.shojaei@ku.edu
Office Hour   **:** TBD
Lab Room   **:** EATN 1005A
Lab Schedule   **:** please look in the *"LAB SCHEDULE.pdf"* in the lab webpage.

IMPORTANT INSTRUCTIONS

• Follow the health safety guideline provided by the KU.

• Students are expected to read the lab write-up before each lab and get familiar with it. I'll update lab document by Friday evening before each lab. So, you will get the weekend to read the document and have a mental preparation.

• Attendance is mandatory. No make-up for the missed lab will be given without valid absence verification. Proper documentation must be presented to the lab instructor.

• No food or drinks are allowed in the lab.

• Be punctual. No additional time will be given for those who show up late. Extra time is limited up to 10 minutes.

• A lab report is due one week from the completion of the lab and must be turned in by midnight of the due date. A lab report can be submitted online via e-mail or in hard copy during the lab.

• Late work will not be accepted. Please follow the lab report format. I'll update a lab report format soon in the lab web page. I'll also update the grading criterion at the beginning of the semester.
