

ScavengAR (Team 15)

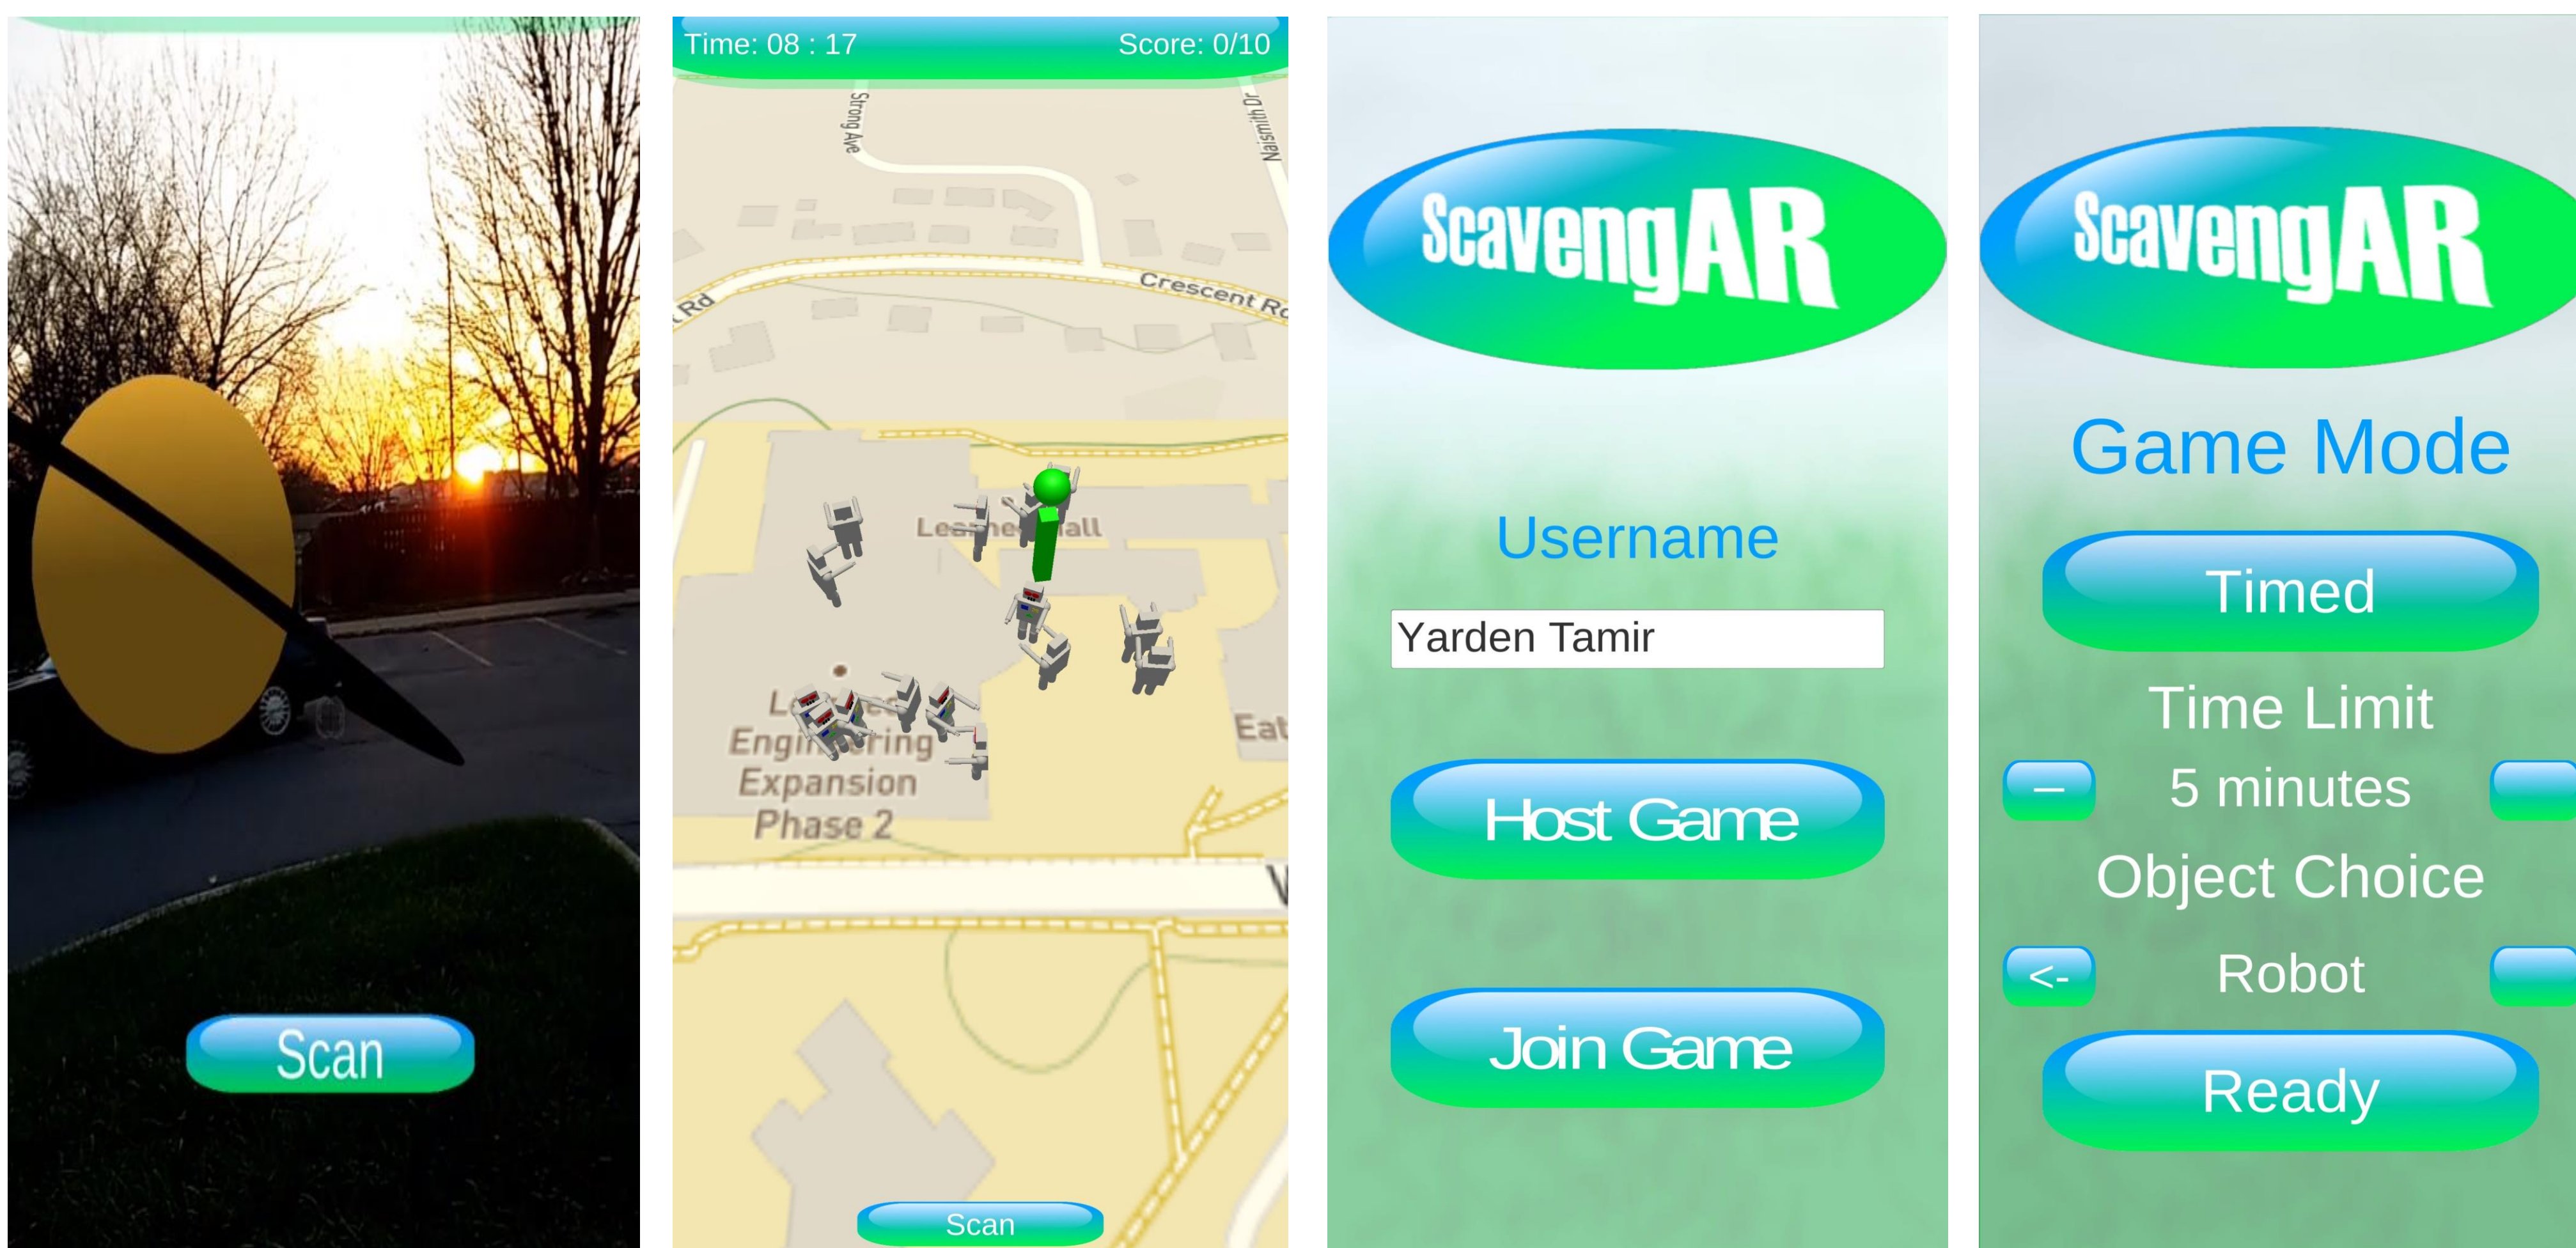

Yarden Tamir, Alec Knutsen, Stephen Fulton, Alec Knutsen, Rebekah Manweiler, Shawn Parkes

Description & Purpose

- ScavengAR is a scavenger hunt mobile game
- Use Augmented Reality to join the real and virtual worlds
- Fill a niche for a fun, multiplayer, AR game

Design

Ethical & Intellectual Property Issues

- Safety issues with objects spawning in dangerous locations
- Trespassing issues with spawn points (private property or inside of buildings)
